Happy New Year & warm greetings to all!

I hope that everyone had spent quality time with your loved ones during the year-end holidays.

It's time to usher in the spirit of everything new - new hopes, new wishes, new ideas and a new year filled with dreams of a better future. You probably noticed that RV is sporting a new look, with brighter photos and less clutter on the page.

With new additions of a seminar/banquet room and revamped Jackpot Room, it gives you a reason to spend more time at the Resort. So come on down and experience for yourself!

Meet Tan Kah Han our newly appointed Captain and Chairman of the Greens & Handicap Committees who officially took over the reins from Andrew Kwa on 1 January. We look forward to his contributions and leadership and wish our former captain the very best. Flip to pages 8 and 9 for more.

In December, we celebrated with families at our Family Fun Golf Competition at the Executive Par 3 Course Event and big thanks to our amazing pairs for your wondrous support and for making the event possible.

Golfers, if your new year resolution for golf is to seek professional help for your shortcomings on the course, check out golfing tips from our regular contributor, Marc Kawasoe from Phil Brew Golf academy on improving bunker play and shaving those extra strokes off your game on page 12. In Golf 101, I share a tip on how to "hole" a golf ball when the ball is resting on the flagstick.

Whatever your resolution for the New Year, may it be losing weight, quitting smoking, learning a new language or sport, let's not forget to be happy, smile, laugh and take an occasional break.

With numerous activities for all ages lined up at the Resort, let's be active and on behalf of the President and management of NSRCC, I would like to wish everyone a successful 2013, blessed with love, health and joy.

To all our Chinese readers, Happy Lunar New Year!

1st prize winner Chua Kin Hua

Lucky Trio

Congratulations to our three lucky draw winners. They were randomly picked amongst 700 over members who participated in the membership survey from 12 October to 5 November 12.

The annual survey was conducted as part of the Resort's on-going commitment to constantly monitor and improve members' satisfaction. Over 88% of respondents gave an "excellent" or "good" rating for overall satisfaction with the Resort's offerings.

NSRCC Staff placed 2nd Runner-up in 2nd Inter-Club Bowling Competition

Six staff represented NSRCC in the 2nd Inter-Club Bowling Competition held on 9 November at the Singapore Recreation Club. This team, consisting of staff from various departments were selected from an annual staff cohesion bowling competition.

Well done bowlers for doing us proud coming in 2nd runner-up out of the 10 participating clubs. We extend our heartiest appreciation to the team for their time and endeavours.

(Front row L-R) Mohd Aidil Bin Samsuden (Mechanic, Resort); Yeo Chee Soon (Technician, Course Maintenance); Mohd Ismail Bin Hussain (Assistant Executive, Resort) and Stephanie Koh (Executive, HR & Training)
(Back row L-R) Zufrie Bin Saf'eh (Senior Mechanic, Resort); Foo Keh Seong (Foreman, Course Maintenance) and Lee Kok Keong (Supervisor, Course Maintenance)

NSRCC brings Cheer to Underprivileged Children

Children from the Chen Su Lan Methodist Home wanted a normal Christmas like any child. To give them a memorable Christmas experience, NSRCC had organised a half day of activities for 20 youths during the festive season as part of the management's commitment to Corporate Social Responsibility.

Codenamed Project L (Love), the initiative enabled management staff to share the joy of Christmas with underprivileged children and foster social integration. The spirit of giving and sharing has always been an intrinsic part of NSRCC's organisation culture.

This was the first time the children had the opportunity to visit the Resort and gain an insight to the Resort's operations. They were treated to Amazing Race style competition at NSRCC and had to follow clues to locate checkpoints and complete tasks through teamwork. To allow the children to have a feel on golfing, the children also toured the Executive Par-3 course and attended a golf clinic at the driving range.

All the children thoroughly enjoyed their visit to the Resort and appreciated the warm reception from the management and staff.

Ms Shanti, Volunteer of Chen Su Lan Methodist Children's Home, shared the same sentiments, "It was very fun for the kids, I could see that they really enjoyed the games."

Welcome Aboard Kah Han

Kah Han assumed the position of Captain and Chairman of the Greens & Handicap Committees with effect from 1 January 2013. He had served as a member of the Greens & Handicap Committees for the past two years.

"I got to know Andrew when I was the Captain of Sembawang Country Club (SCC). As a 'sister-club', Andrew and I shared best practices between SCC and NSRCC and forged closer working relationship between members of the two Committees. Andrew has served the Resort as Chairman of Greens & Handicap Committees for the last 9 years with tremendous passion, dedication and sacrifice in personal time. We thank Andrew for the great work and foundation that his leadership has brought and wish him continual happy golfing at NSRCC."

On a lighter note, when asked about his philosophy on golf, he quipped, "Have fun, relax and enjoy the company of your fellow golfers! Be more tolerant of one another and leave the golf course as you would like it to be when you play... If you have never attended a Disciplinary Committee hearing, keep it that way! The fewer of such meetings, the better it is!"

We are assured that given his profound knowledge and deep commitment, Kah Han will build upon the solid foundation and further steer the Committees and the Resort towards an enhanced positive experience for all.

Kah Han had served in the Republic of Singapore Air Force (RSAF) holding various senior and command appointments in the past 25 years. He is married with two kids.

We warmly welcome Kah Han and look forward to his leadership.

A Tribute to Andrew Kwa our Club Captain

Andrew Kwa had served as Captain and Chairman of the Greens & Handicap Committees since 2004, taking over the reins of his predecessor Dr Goh Hoon Pur.

During his captaincy, Andrew had spearheaded various initiatives to enhance our members' golfing experience at the club. Another of his notable achievements is the Junior Golf programme which has strongly supported the making of national youth golfers such as Joshua Ho, Johnson Poh and Phoebe Tan.

His all-time favourite and most meaningful project is our annual Charity Golf event. Under his leadership, the NSRCC Charity Golf event has become our iconic project, having raised over \$4m in the past nine years, for more than 20 NSRCC-adopted beneficiaries. He stepped down from his role as Club Captain in December 2012 and will remain as a member in the Specialist Advisory Committee to assist in the succession planning for the Greens & Handicap Committees.

His "can-do, get-it-done" attitude is remarkable and has enabled him to undertake the demanding role of the Captain. Under his capable and

charismatic leadership, the highly energised members of the Greens & Handicap Committees have been able to meet their challenges as a committee. More importantly, the committee members have enjoyed their time spent together, despite having to juggle busy work schedules. Underneath the oftentimes mistaken aloofness, Andrew is really an affable, modest and easy-going person.

"Working with Andrew Kwa has been my utmost pleasure. Andrew's tenacity and passion in his Committee duties has been admirable as he always places other's interest first before his, especially the interest of members. His relentless "can do" attitude has been our committee's yardstick for many years and I'm indeed privileged to have experienced it over the last couple of years." commented David Tay, Vice Captain.

"Although Captain Andrew Kwa is a man of few words, he delivers with lots of action! As Andrew has a consultative leadership style, it may not be immediately apparent to one that he was constantly observing the situation and seeking the views of others before arriving at his decision. We worked hard and played hard as a team, helped raise the standards of golfing knowledge

and rules, delivered an award-winning league team and helped NSRCC golfers enjoy a great pace of play despite having a high utilisation of playing rounds amongst Singapore's golf clubs! That was some quiet leadership with a powerful delivery. When we look back in years to come, there'll be nothing but lots of good memories to share!" added Cynthia Lee, former Ladies Captain.

Of his successor, Tan Kah Han, Andrew also has this to say, "I am confident that Kah Han will lead the (Greens & Handicap) committees to work closely with the club in steering all in the right direction and to stay attuned to the evolving needs of our golfers."

Andrew's contributions are made at the National level as well - he has served as Honorary Secretary of the Singapore Golf Association (SGA) since 2010, devoting much of his time to the development of national junior golfers and preparing them to represent Singapore at regional and international tournaments.

The President and Management of NSRCC would like to express our heartfelt appreciation to Andrew for his immense contributions, hard work and dedication to the Resort. Best wishes and see you around!

Refreshing Facilities Coming Your Way

As part of the Resort's continued efforts to upgrade its facilities, the need to revamp these recreation and social facilities are more apparent with the changing trends and lifestyles of our members.

Through detailed conceptualisation with the creative use of space and improvisation, we are delighted to unveil the three new facilities, namely "The Leaders", Jackpot Room and Sports Lounge.

"The Leaders"

"The Leaders" offers a panoramic view of the golf course and resort facilities, giving members a wide and far perspective. This exemplifies most of our members who are successful leaders and business owners in the corporate world with good situational awareness and far-sightedness.

Able to accommodate at least 150 guests, "The Leaders" provides a scenic and refreshing view, ideal for corporate strategic planning, retreats, team building and management cohesion sessions. It can also be converted to a banquet room to host private functions and events.

To experience the view, contact our event management team and get your event off to a great start. Members will receive discounts off bookings.

Call 6543 5735/5749/8566 or email: events@nsrcc.com.sg

Jackpot Room

With our members now exposed to richer gaming experiences especially with the presence of the Integrated Resorts and to meet this changing expectation, the Resort has acquired new gaming machines, supported with jackpot information management system to further enhance the overall gaming experience.

The new decor injects vibrancy, fun and excitement through the bringing in of nature's colourful life into the space, introducing various textures, colours and materials. It includes a pantry tucked away at a quiet and relaxing corner to provide beverages for members' enjoyment.

The renovated Jackpot Room has been in operations for the past six weeks. If you have not visited the new Jackpot Room, come and try your luck now and also during the Lunar New Year.

Coming soon

Sport Lounge

A new sports lounge with a golfing theme has been built to replace the D'Turret Lounge through the optimisation of space from the Jackpot Room upgrading project. The sports lounge will provide members with a more conducive environment to meet up with friends and families to unwind and relax.

It is likely to be completed by the end of the 1st quarter of 2013. In the meantime, we wish to thank our members for their patience and understanding while the upgrading works are in progress.

Photos shown are for illustrative purposes only.

Bunker Difficulties? Skid for Success

Have many students who cringe once they enter a bunker, hoping that with some luck, they can get their golf ball out and stay on the surface of the green. A high percentage of beginner golfers have difficulty playing from bunkers as they do not understand how much sand they have to move to get the golf ball out, or make actual contact with it. Given the choice, most tour professionals prefer dealing with bunker shots as opposed to scrambling from the thick rough. Here are some helpful tips to improving your bunker play and shaving those extra strokes off your game.

1. Set-up is “key”: When addressing the golf ball, ensure that you play your ball position towards your left/front foot. Keep your weight more on your left-side (approximately 60-70%) and allow yourself to get into a reversed “K” posture. This will allow you to utilise the bounce of the club.

2. Getting the club face opened: How often have we heard or read in magazines that your club face has to be opened at address? How many degrees open must the club face be? We would never know the exact answer and therefore, I feel the strong need to have a club face that is opened towards the target. You will adopt an opened stance but make sure that the leading edge of the club is perpendicular to the target as shown in the diagram.

3. The Execution: Keep your weight on your left-side throughout the swing and be sure to have your belt-buckle facing the target through impact. It is important to prevent the hips from stalling on the through-swing.

4. Skid for success: Using the bounce of the club and not the leading edge, accelerate through the sand and keep your club face square through impact. In Dave Pelz’s, “*Shortgame Bible*”, studies have shown that one should hit through the sand approximately two inches behind the ball. Note that there should not be any releasing (closing) of the club face at this point. Get a feel of using the bounce of the club to “skid” through the sand instead of “dig”.

Front View Sequence

Use these tips the next time you enter the sand and I am sure that you will save yourself some strokes and amaze your playing partners!

Golf 101

Rule 17-4:

Ball Resting Against Flagstick

Scenario:

When a player's ball rests against the flagstick in the hole and the ball is not holed, the player must remove the flagstick and if the ball falls into the hole, the player is deemed to have holed out with his last stroke.

Scenario 1

Solution:

The player should remove the flagstick and if the ball falls into the hole, the player is deemed to have holed out with his last stroke.

Scenario 2

Solution:

A player's ball is resting against the flagstick, but it is not holed because all of it is not below the level of the lip of the hole. The player then picks the ball up thinking that the ball is holed.

Hint: A ball is "holed" when it is at rest within the circumference of the hole and all of it is below the level of the lip of the hole.

Challengers Chip their Way to Victory

We are proud to announce Erika Layson and Donovan Peh as the winners of the Driving Range 50m Challenge held on 1 - 2 December.

The rule of the game was to get as many shots as possible into the basket placed at the 50m mark. Winners were selected based on the highest score per 10 shots. Chipping the shot was not as easy as it sounds.

“Having a good aim is very important in this challenge,” explained Erika who has been playing golf for 4 years. She added that she had no special training prior to this competition and only practises simple aim and shoot exercises.

We thank all participants for the support and congratulate all winners!

Here are the top four players:

Ladies division

Winner: Erika Layson (5 points)
Runner-up: Evelyn Tan (3 points)

Men's division

Winner: Donovan Peh (4 points)
Runner-up: Lim Tiam Yew (2 points)
