### Our SAF Day Golf Tournament is held in the same month as Singapore Armed Forces Day every year without fail. This year, the event took a twist.

Instead of giving vouchers for free meal upgrades or discounts for participating, three lucky members walked away with a unique Claude Bernard timepiece each.

We will be sharing photos on the highlights of the tournament on our Facebook page, so do keep a lookout! At the same time, we'd love to hear your feedback and suggestions for SAF Day Golf 2014. Also read about our NS Day golf tournament on Page 18 where our golfers participated in "Gotong Royong" to repair the golf course before teeing off!

It was not an easy game for the participants of our recent Snooker Bi-Monthly Medal 2013. After an intense competition, it finally came down to two players. Find out who emerged as the winner on page 4.

Tough weather also came upon our members who participated at the first Kranji Country Side Run which we hosted. Not a dry soul around, you can read on page 6.

I hope golfers have enjoyed using new mats and balls at the driving range and carpeting in the changing

rooms. You can read about this and the other golfing improvement works at Changi Resort from page 6. For our Golf 101 topic, we find out how to deal with water hazards and the proper way to drop a ball in the hazard zone. Learn more on page 17.

How about making your own snow skin mooncakes for your family this year for Mid-Autumn Festival? We have several baking and culinary classes for young inspiring chefs over the year end holidays. Find out more from page 20 onwards.

For food lovers, read about our new Changi Poolside Cafe on page 8. We also celebrate Oktoberfest at Kranji Terrace Café. Dine and bottom ups! Enjoy the German cuisine specially prepared for this season. Read under Foodwatch section.

Last but not least, I want to take this opportunity to wish you well as you go on to enjoy yourself with family and friends. Go soak up the atmosphere as Formula One comes to town.

# Randy Lam Edges Lloyd Lam

Randy Lam triumphed over Lloyd Lam in the recent Snooker Bi-Monthly Tournament finals held on 29 June. 12 participants between the ages of 16 to 60 years competed for the title of Snooker Champion.

Eventually Randy won the best-of-two frames and walked away with the medal and \$150 cash prize. Lloyd received his runner-up medal and \$50 cash prize.

## NSRCC's Young Guns in Tennis

Look out for NSRCC's young guns in tennis who played in the Junior Tennis Open Tournament on 6 July. Congratulations to our winners!

# Kranji Country Side Run Offers Runners Close to Nature Encounter

**K**ranji Sanctuary Golf Course played host to the inaugural Kranji Country Side Run 2013 organised by the Kranji Country Side Association (KCA) on 11 August 2013.

More than 1,600 people turned up despite the heavy downpour before the start of the run.

Although the 8km competitive run was cancelled due to safety reasons, the 4km fun run and farm tours went on as scheduled with Guest-of-Honour, Minister for Foreign Affairs and Minister for Law K Shanmugam flagging off the race at 8.50am.

The route had begun at Kranji Sanctuary Golf Course which took participants past Neo Tiew area, a paved jungle trail along Turut track and through Bollywood Veggies.

A sea of runners never seen before at Kranji Country Side

An air of euphoria as the Guest-of-Honour flagged off the race

Mission accomplished

Ivy Singh-Lim and Chan Lee Hock,  
Manager of Kranji Sanctuary Golf Course

KCA President, Ivy Singh-Lim said that the importance of the run was about community and togetherness. She said that the run offered participants a chance to explore and appreciate Kranji's precious and lush scenery. "It is critical for people to realise that the countryside still exists despite them living in the city."

Members and guests were satisfied with the event. Merey Tan, who signed up for the race with her family of two said, "It was a good event for family bonding and brings people to the countryside. You get to take a step back from our modern comfort and appreciate nature."

Another member, Mohammed Ridhwan added, "It was fun, interesting and the scenery is beautiful!"

# National Level Championship 2013 Attracts 329 juniors

An event aimed at nurturing junior golfers

For the second consecutive year, the 11th Tiger Cubs Championship 2013 held on 15, 16 and 22 July attracted an unprecedented 329 junior golfers from 59 schools.

The 3-day competition held at NSRCC's Executive Par-3 course was organised by Naval Base Primary school and supported by the Ministry of Education (MOE).

Our future national players

Over 60 members who registered their children for the competition were beaming with delight as they watched their children receive prizes.

Among them were Mr Ng Aik Leong and his son Wei Jun and Mr Joseph Chia and his son Neal.

Mr Ng said the young golfers demonstrated enthusiasm and competitiveness in the event and he was impressed with his son, Wei Jun's positive attitude and discipline.

"I am pleased with Wei Jun. He has played with consistency for the two days and has improved his game and become more mature."

Joseph complimented the perfect course condition and felt that his Primary 3 son performed well among the older boys in spite of his young age.

"This is an exciting event that can reinforce juniors' skills and also enable them to make new friends".

Ng Heng Chew, General Manager, NSRCC receiving a token of appreciation from the organiser

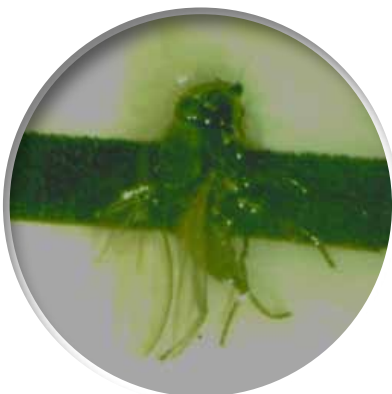

# Bug off Insects!

"Can't anything be done to eliminate insects on the golf courses?" No, but measures are in place to control them in NSRCC.

One common insect known as the common Ant Alate (Flying Alate) - winged ant is found especially after rain.

An uncommon insect is the Sandfly (Leptoconop) recently sighted during the months of June, July and August. It is a major pest in coastal areas and can inflict painful bites that may cause itch and bleeding wounds.

Images of pesky sandflies captured under the microscope provided by pest controller - Rentokil

## Pest Control

The club is monitoring the situation and is working hand-in-hand with pest controller Rentokil to conduct surveillance and fumigation from time-to-time at the affected areas.

Golfers will find the Flying Insect Control (FIC) Traps at our three halfway houses in Changi that emit fluorescent Ultra-violet lights drawing insects and trapping them on adhesive film.

## Protection and Prevention

Golfers especially those with sensitive skin or allergies are advised to wear protective gear to cover exposed skin. For added protection, golfers can wear long pants, long sleeved tops, bring a towel to cover the back of the neck and put on sunscreen on the face and spray insect repellent.

## Trouble Shots – Time to Step Up to the Plate

Pulling off trouble shots requires creativity, imagination and knowledge of what is possible. You have to be fearless, you have to be committed. Many golfers shy away from trouble shots as the shots present too much of a risk. What if I don't pull it off? A lot of times because of their own cash on the line, they will never find out whether they have the skill to pull off the recovery shot simply because they were reluctant to try.

Whilst the list is long, let's take a look at one trouble shot that is common.

### Plugged ball in bunker (up the face)

Players always freak out when they see this lie. It is possible (with practice of course) to be able to control your ball to hit it near the hole but let's just start with getting it out of trouble first.

It's easy to dive in and go for the miracle recovery before carefully weighing up the situation. I see it too often when players are in trouble - they go from the frying pan into the fire!

Here's how to play a plugged ball that is up against the face, in the bunker.

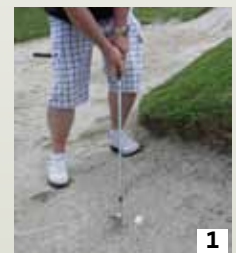

Stay calm, this is not as difficult as it looks. Firstly, make sure you secure your feet in the sand with more emphasis on the back foot being secure. You cannot afford to slip. Set up with a slightly open club face (normal bunker shots will be more) but lean the shaft forward (Photo 1) so the leading edge becomes the first thing that will come in contact with the sand in your swing. The key thought is to thump the club into the hill/slope under the ball with controlled acceleration.

Backswings are usually only between 8 to 10 o'clock swings (in other words, about half swings for those who are not familiar with the swing time concept) depending on the distance to your target, not wild haymakers (Photo 2).

Downswings need to accelerate into the hill so the volume of sand is deep and your follow-through obviously becomes stifled (Photos 3 and 4), like a stabbing motion. Reminds me of the NIKE symbol, the tick (the follow-through represents the short side of the tick).

The ball "magically" pops and lands with hardly any spin and from an upslope lie, will come out reasonably soft. Normal plugged ball lies off flat sand will come out with far more roll. But the main thing here is not to panic. You've got to practise this lie before you realise it is not as difficult as it looks and you can even be clever and develop a feel on how the ball will react.

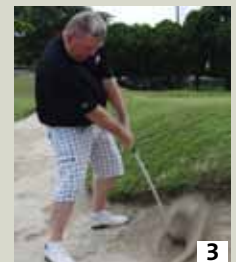

Take the challenge. Try this out and see whether you can add it to your repertoire of shots. Who knows, you may just save yourself some shots out there on the golf course next time.

## Rule 26-1B: What Happens If the Ball lands in the Water Hazard?

The player may drop a ball behind the water hazard under penalty of one stroke.

The player must keep the point at which the original ball last crossed the margin of the water hazard directly between the hole and the spot on which the ball is dropped. There is no limit to how far behind the water hazard the ball may be dropped.

# Growing the “Gotong Royong” Spirit

Say 'Gotong Royong'!

**National Service Day Golf is organised every year in recognition of our National Service men's contribution towards National Defence.**

**I**n the spirit of 'Gotong Royong', golfers were armed with sand bottles and divot repairing tools.

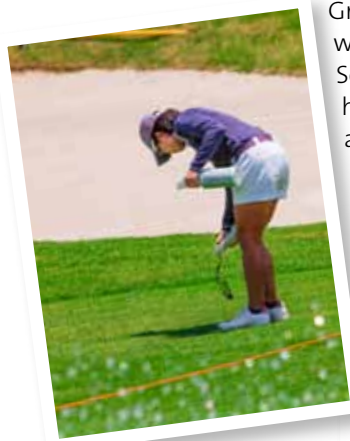

With an estimated 15,000 rounds of golf played per year at Changi, this annual exercise of repairing divots and ball marks certainly drives home the message to keep the golf course healthy.

Upon the first siren, buggies were dispatched to the different holes. Despite the scorching sun, golfers were seen repairing divot and ball marks very diligently. The second siren sounded soon after, marking the start of the tournament.

Train of buggies just before the first siren

Gracing the dinner and prize presentation was BG Tung Yui Fai, Director of National Service Affairs. We would like to extend our heartiest congratulations to all winners and Norman Hoe, who bagged the Overall Champion this year.
