Dear Members,

Happy New Year! We start 2018 with a peek at major upcoming events on the Club's sports and social calendar, including our signature event, Charity Golf - an annual fixture that benefits the community. Those of you who have participated in various past events will no doubt have your favourites, and are perhaps already looking forward to them in the coming months. Sign up early to secure your place as many of these events are very popular with members.

A new year begets new beginnings. And so it is with our stories to update you on some of the new features that you will find in the bowling alley and KTV rooms of Resort Bowl, as well as the spruced up pro shop and shower rooms over at Kranji. Do check them out on your next visit.

The recently announced new driving range to be built at Changi has generated much interest from golfers and we have included an artist's impression in this issue. With state-of-the-art features, the new driving range will surely entice more golfers to practise their game when it is ready.

The results of the annual membership survey are out and we are pleased to share the key findings with you. Overall the satisfaction level remains high but members' feedback on areas that need improvement are certainly noted. Such feedback is crucial to the Club's efforts to maintain quality standards in the services and facilities that are available throughout the year.

Chinese New Year is just around the corner and the Club has a line-up of activities to help you celebrate, including a pre-CNY shopping trip to Johor Bahru, a Fatt Choy golf game and special menus for your festive meals.

Here's to another year of great fun and good times at NSRCC!

Regards,

Bonding over bowling

A Bowling Good Time

A group of 21 NSRCC staff volunteered their time for a game of bowling with 20 youths from Sunbeam Place on Dec 21, 2017 at NSRCC Resort Bowl. It was a memorable session as each team consisted of two pairs of staff and youth. Everyone had a great time bonding over a fulfilling game of bowling and light refreshments.

NSRCC conducts its corporate social responsibility programme to give back to the needy in the society. Every year, we look at different ways to put a smile on the faces of the less fortunate.

Wah bro, you can bowl very well!

All about Sunbeam Place!

- A residential home and gazetted place of safety for children who have been abused and neglected and in need of protection, or whose parents are unable to provide proper care
- It provides a home-like and loving environment for children aged between 2 and 18 years
- Conducts programmes that cater to children's emotional and developmental needs

**Due to sensitivity of the children's backgrounds, we are unable to display full-faced pictures.*

Annual Bowling Championship 2017

Participants of the Annual Bowling Championship had a day of fun and gruelling competition on Nov 12, 2017 at NSRCC Resort Bowl. The best of the best took to the bowling lanes to compete in the men's, women's and youths' categories. Congratulations to all participants and especially to Joslyn Ho for emerging as champion for the past three years.

Annual Membership Survey 2017

Overall

NSRCC conducts a membership survey yearly, to ascertain members' satisfaction towards the Club, as well as gather feedback to determine areas for improvement. We are happy to have maintained our overall satisfaction rates in a myriad of areas around the Clubhouse such as facilities like golfing, recreational and customer services.

Golf

Our golfing facilities continue to be highly popular at both clubhouses, with ratings for Changi remaining consistent with that of 2016. There was a slight dip in Kranji's results, but there will be minor upgrading works to ensure that the Clubhouse keeps its look refreshed! In terms of the booking system, we understand members' concerns on the availability of golf slots, and balloting is one of the options which the Club is considering.

Food & Beverage

The F&B facilities situated in both our Clubhouses have improved since the previous year. We are happy to know that members have noticed these improvements of our F&B services, especially at The Terrace Café @ NSRCC Kranji and Appetizer @ Resort Bowl. We will continue to heighten the standards based on feedback and suggestions from our members.

Bungalows

For our bungalows, the general sentiments indicated that they were pleased with the overall experience. We are delighted to know that there has also been an increase in the satisfaction rate for the quality of facilities at our bungalows. At present, the Club is looking into a plan to upgrade and freshen up the look of our 40 bungalow units.

The Club would like to extend a big thank you to our members who participated in our Membership Survey 2017, and we will continue to ensure that all aspects of our services continue to be improved, so as to provide a memorable experience for all of our members.

Shopping in Batam for a Day!

*A Family of
Happy Participants*

Inside the Marvel Superheroes Store!

Striking a Pose!

Yummy Ayam Penyet Lunch!

The morning of Dec 9, 2017 started off on an exciting and early note, as eager participants were ready to shop till they dropped in Batam. The shopping trip started immediately with a visit to the “Be Superheroes” shop, which specializes in Marvel Superheroes merchandise such as “Captain America”, “Iron Man”, “Superman”, “Batman” souvenirs and accessories. This was definitely a thrill for the kids in the tour group.

This was soon followed by a trip to the popular pineapple cake and kueh lapis factories. Members and their families were able to feast on tasty treats, and buy some to bring back home! The morning continued with an Indonesian cultural dance showcasing the unique ethnic groups in Indonesia. These beautiful dance performances from tribes spanning this diverse nation definitely enthralled our participants!

Tummies got a little hungry after the cultural show, and luckily there was a nearby birds nest shop to fill in the spaces before lunch! The local markets

soon beckoned offering an array of peanuts and snacks like prawn crackers, fish ball crackers and many others local snacks.

The tour continued onto the Batik Gallery and Factory Outlet shop, where participants enjoyed shopping for clothes at great prices. By the time our participants finished shopping, it was lunch time and a delicious Ayam Penyet lunch was awaiting them.

After a very satisfying lunch, participants who opted for the massage session got to enjoy a relaxing hour of relaxation. The rest who did not go for the massage continued their shopping at a neighbouring mall. After which, the tour continued to the Tua Pek Kong Temple where participants were able to see very beautiful wall murals.

The journey ended with many feeling contented with their purchases and settling in on the ferry back to Singapore, letting all the memories of the day trip replay in their minds.

Artist Impression of New

Driving Range @ NSRCC

In RV September/October 2017, we introduced the features of our new driving range, which will be built on-top of existing facilities, at a height with clear view to the sea. This is probably the first in Southeast Asia.

With the design of the driving range finalised, we can finally show our members how the range will look like. As the entire structure is built from steel, the design team will have to fine tune the finishing to make sure the structure blends in with the resort environment.

Since mid-December 2017, the construction works for the new driving range has started. Carpark C, the lots near to the canal, will be closed to serve as a work site. For the buggy path along the canal, it will be diverted to the edge of the canal, so please watch out for the directional signages next time you cross from hole 5 to hole 6.

We understand that during the 18-month development period, some additional traffic or services might be affected, and the Club seeks members' understanding while we work to give you a unique practising experience.

Mizuno Golf School – Training with the Master

By Bernie Tan,
Certified Instructor, Mizuno Golf School

Mizuno’s Master Instructor, Joe Thiel, came to Singapore for a visit in November 2017. During his stay, he conducted training for instructors and we learned so much about the different perspectives of coaching.

Joe Thiel also conducted private lessons for the elite and juniors, and junior golf clinic with a parent’s session. They enjoyed it so much because parents had the chance to ask questions. One of the highlighted questions was from a concerned mother: “How do we continue to let our child

Joe Thiel (left) with the writer (first from right) training a pair of sisters on the course

Joe Thiel (right) talking to one of the Mizuno instructors

Who is Joe Thiel?

Joe Thiel spent 40 years helping golfers to learn and enjoy the game of golf. He is one of only a few golf professionals in the U.S.A who earned the prestigious ‘PGA Master Professional’ designation.

He was honoured as the ‘PGA Teacher of the Year’ for three times - in 1993, 1995, and 1997. He was also inducted into the Mercer County Hall of Fame in 1999, and into the ‘Millennium Who’s Who in America.’ Golf Magazine also honoured Joe with the title of ‘Top 100 Teachers in America’ for several years, while Golf Driving Range Magazine honoured him as one of the ‘Top 50 Teachers in America.’

enjoy golf when her dad can be tough on her sometimes? I am afraid that one day, she won’t like it anymore.’

Joe Thiel answered: “It is important to find the balance and find a way to continue to let her enjoy golf, and she will be the one pulling her dad to the driving range and asking you to bring her to golf.”

We definitely felt that it was refreshing to hear his answer. There are times when we, as coaches, feel like we are pushing junior golfers, but on that day, we were reminded that what is most important is finding a balance to build interest in juniors so that they would be the one who wants to go for practice and coming to class to learn.

“ It is important to find the balance and find a way to continue to let her enjoy golf, and she will be the one pulling her dad to the driving range and asking you to bring her to golf. ”

– Joe Thiel, PGA Master Professional on letting juniors enjoy golf

Golf 1-0-1 contributor Brian Tan is a member of the Greens Committee, and oversees Rules and Tournaments at NSRCC. When he's not busy officiating as a Rules Official, he can be found losing balls in NSRCC's water hazards.

A golfer in a blue polo shirt and white cap is captured in the middle of a golf swing, viewed from the side. The background is a soft, light blue gradient.

Pace of Play – Proposed New Rules of Golf

In this instalment, we're going to look at how the new proposed rules encourage a Prompt Pace of Play. Most of these changes can already be implemented immediately for most social play situations and will help everyone enjoy their round of golf at a prompt pace of play.

Maximum Score for a Hole

Under the proposed new rules, a maximum number of strokes will be set on each hole to cap a player's score. Examples include Net Double Bogey, Double Par or a set number. Players can stop playing the hole when the maximum is reached, or when the player realises that a score of less than the maximum will not be possible. One option social players may elect to do is: before your next round, agree with your flight mates what is the maximum number of strokes to be applied per hole and follow that maximum during the round.

Ready Golf

The new rules expressly allow players to play out of turn in a safe and responsible way. Players should prepare for their next stroke in advance and arrive at their ball in a timely manner. We already encourage this at NSRCC by dropping off your playing partner at their ball with a sand bottle so that they are at the ball already when it is their turn to take a stroke, and after the stroke, the divot can be immediately filled.

40 Seconds

When it is their turn to play, players should make their stroke within 40 seconds. Players should usually be able to play more quickly than that and are encouraged to do so. If you have a playing partner who repeatedly takes longer than 40 seconds to make their stroke, a gentle reminder should suffice.

For more information or to watch videos demonstrating the proposed new Rules of Golf, visit <http://www.rules.golf>

Greenside Matters

JANUARY/FEBRUARY 2018

Wishing one and all at NSRCC “Happy New Year 2018”!

Once again, we look forward to another great year at NSRCC. 2017 had been good to us but nevertheless, we will work towards an even better 2018 at NSRCC. The Club and the Greens Committee will continue to work towards enhancing members’ golfing experience with a suite of golfing activities planned throughout the year.

Just like in 2017, we will be hosting the popular festive-themed golf game, “**Fatt Choy Golf 2018**” to bring together our members for a round of golf and fun at Changi NSRCC and also to celebrate the coming Chinese New Year holidays. We look forward to your participation and urge members’ to sign up as soon as possible as we expect the event to be fully booked, just like last year!

As with past years, please also take note that the 2018 Chinese New Year Closure for Golfing shall be the same as previous years and is as follows:

Facilities (Golf)	CNY Eve (Thu, 15 Feb)	Day 1 CNY (Fri, 16 Feb)	Day 2 CNY (Sat, 17 Feb)
NSRCC Changi	0645 to 1500 hrs	CLOSED	Operations resumes as per normal
NSRCC Kranji Sanctuary			
Driving Range	0700 to 1500 hrs		

For further information on this advisory, please enquire at our Golfing Reception.

“Bright, sunny and yet CAT-1!”

The club endeavors to provide a positive experience to all our members be it at golf or any other activities. However, the Club and the Green Committee place safety of all our members as of utmost importance. For a fee, the Meteorological Service Singapore (MSS) provides the Club with a “customised” Lightning Watch Service that alerts the Club on all CAT-1 alerts on impending lightning risks in the area. MSS has recently adjusted the lightning watch from within 4km to 6km of Changi. What this translate to is we may possibly expect an increase of CAT-1 alert. The Club and the Green Committee will continue to engage NEA on this matter and also to explore options for the benefit of the Club without compromising safety of our members and golfers. Please remember, Blue skies does not necessarily mean no lightning risks. For this, we ask for members understanding while we work through this matter.

Wishing you all Happy New Year 2018, and an advance Gong Xi Fai Cai

Feeling Festive at Ladies' Christmas Golf!

Festive buggies going around the golf course

1...2...3...Merry Christmas!

In the afternoon of Nov 29, 2017, the buggy park at NSRCC Changi was filled with 18 well-decorated buggies, all well “dressed” to the theme of ‘Glittering White Christmas’. That was one of the highlights of the annual Ladies’ Christmas Golf event, hosted by Ladies’ Vice Captain, Jenny Chong.

The festive-looking buggies were the result of hard work by 35 lady golfers, who were clad in similar festive colours of red, green and white. Their hard work paid off when the buggy decorated by Lim Siew Kuan and Teresa Lim was chosen as the Best Dressed Buggy! The buggy by last year’s champions, Joveen Miu and Gan Shou Ying, emerged the 1st Runner Up for Best Dressed, while the buggy by Eileen Quek and Lem Jia Jia came in 2nd Runner Up.

After the game, the ladies enjoyed a scrumptious dinner at Falcon Room, paired with wine. And in line with the event theme, they also had fun singing along to Christmas carols.

Join the Ladies’ Weekly Social Game every Wednesday. Contact our Changi Golf Team @ 6540 8500 to find out more!

How to Stay Healthy and Slim during CHINESE NEW YEAR

Chinese New Year is always a time for fun-filled gathering with family, friends and food. While letting our hair down and indulging in whatever that is presented to us, how to do it without guilt? Here are some tips on how to enjoy the New Year festivities without adding on weight.

Stay Hydrated

Make plain water your best friend this CNY, and trade your soft drinks for water. When you are mildly dehydrated, your body could mistake the thirst for hunger, tempting you to reach for another treat.

Watch your Portions

Instead of banning yourself from snacks, limit yourself to 1 or 2 pieces per snack. When it comes to bigger meals, use a smaller plate to pace yourself and limit the amount of food you load on your plate.

Snack Less by Not Going on an Empty Stomach

This may sound counterintuitive as many of us will be tempted to keep our stomachs empty before we visit in order to 'make space' for

feasting during visits. However, that will lead to overeating. While you snack, remember to have a healthy balance of fibres, proteins and vitamins!

Stay Active

If you foresee that you won't have the time or discipline to stick to your workout regime during the festive season, aim for a 30 min walk on most days, or simply integrate a workout into your CNY routine. Take every opportunity to move: play with the kids, or park your car further from your destination and take a short walk.

Get Enough Sleep

Some of us may have the yearly tradition of playing 'mahjong' or card games to the wee hours during CNY. The problem with having inadequate sleep is that it can lead to poor food choices. When we are tired, we will be binge eating more and feel less satisfied even when we snack more than usual.
