Dear Members,

Charity Golf 2018, the Club's annual signature golf event, was a great success raising more than \$328,000 for our adopted beneficiaries. Flight after flight of golfers took on the challenges of the Changi fairways over two days on May 26-27, led by Minister for Defence Dr Ng Eng Hen who was the Guest of Honour on the final day.

To show our appreciation for their wonderful support, this bumper issue of RV includes a special section dedicated to the many generous corporate and individual sponsors of Charity Golf 2018. Also on display are pictorial highlights of the participants enjoying the game and the concluding dinner and prize presentation.

Over at the swimming pool, the young ones had a splashingly fun day when they gathered on Jun 3 for the 21st Annual Swimming Carnival. With hordes of parents and grandparents cheering on the youngsters, it was a lively day out in the sun.

I know many members are quietly appreciative of the efficient and courteous service they often receive from the Club's frontline staff and wish they are recognised in some way. Well the Top Service Excellence Awards given out by the Club serve exactly this purpose and the winners for 2017/18 have been announced. Congratulations to Poh Eng Choon (Changi Golf Buggy Steward), Norazizah (CSO, Kranji Golf), Low Hai Meng (Facilities, Security) and Julie (CSO, Jackpot Room) for winning their well-deserved awards.

Work to spruce up and refurbish our ever popular bungalows has started and we give you an idea of what the new interior will look like when the contractor finishes his job, scheduled for October this year. Included in the plans are the installation of new air-conditioners and beds and the introduction of wifi coverage.

Have a fun day at the Club!

Regards,

Trios League 2018

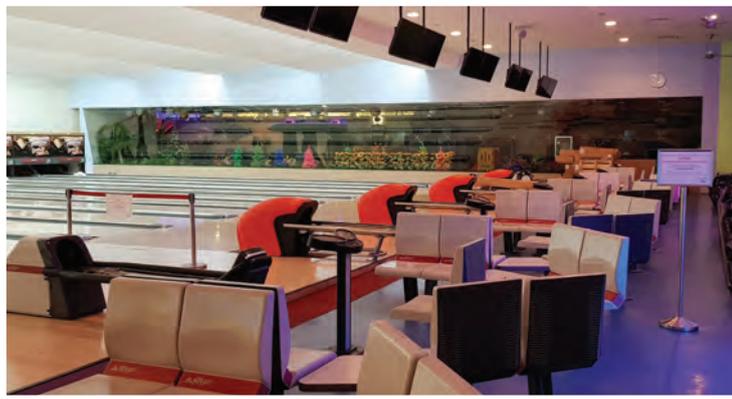

Trios League 2018 began on May 4 with nine teams. The teams will compete with each other over seven months, in weekly matches at NSRCC Resort Bowl. The league will end with a Masters Finals that will be held on Nov 11. We wish all participants the best of luck for the league!

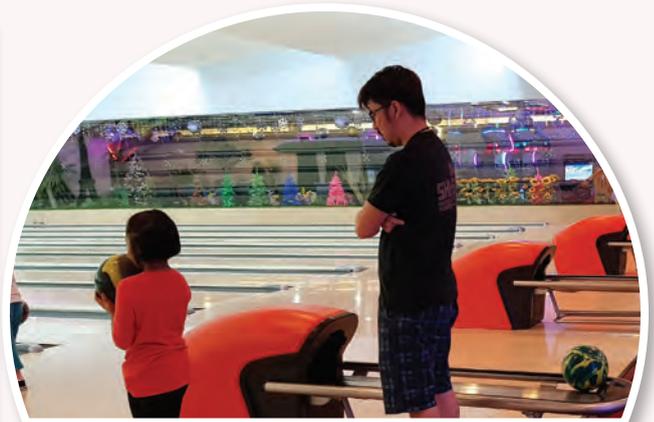

New Hood & Rack @ NSRCC Resort Bowl

Have you knocked down some pins at NSRCC Resort Bowl recently? If your answer is yes, you would definitely have noticed the new, orange coloured ball return hoods at our bowling lanes! The ball return

hoods, together with their racks, were replaced in early April. We hope that this new addition will provide a better bowling experience, not only for professionals, but also the leisure bowlers at NSRCC.

The new ball return hood looking brighter compared to the old one on extreme left.

One of the first bowlers to use our new ball return rack and hood!

Splashing Fun

@ NSRCC Swimming Carnival

A total of 75 kids registered this year for our 21st Annual Swimming Carnival that took place on Jun 3. On that Sunday, the swimming pool compound at NSRCC Changi was filled with kids everywhere, as well as parents and grandparents who came down to support the participants.

They were blessed with perfect weather and the first event, Kick Board, kicked off promptly at 9.30am. It was followed by Butterfly, Freestyle, Breaststroke, Backstroke and finally the Parent and Child Relay – a total of 27 events.

The event finale, Parent & Child Relay, was always something that everyone looked forward to. This year, there were nine parent-child pairs, all raring to go!

For full details on the winners, visit our website at <http://bit.do/NSRCCSwimmingCarnival2018>. Congratulations to all!

and guests with an impeccable service. This helps NSRCC move towards a future where great customer service becomes a major factor in making a memorable difference to anyone who visits the Club, and this is definitely worth celebrating!

Let's congratulate each of our winners by commending their unwavering focus on driving customer satisfaction.

Greenside Matters

JULY/AUGUST 2018

Charity Golf has been a tradition which has weaved itself into becoming our club's Signature annual Golfing event since 1995. For the past 23 years, our event has managed to raise funds totalling to more than \$8 million. The club recently hosted our Charity Golf on Sat 26th and Sun 27th May 2018 @ NSRCC Changi. I am proud to inform all our members that we have raised over \$335,000.00 through this event.

It is indeed very heartening that despite hectic schedules, everyone has collaborated for this worthy same cause. To all our sponsors and supporters, our heartiest appreciation and a big "THANK YOU"!

I would also like to thank the club management, all the staff members of NSRCC led by General Manager Ng Heng Chew, our amazing Maintenance crew and my fellow committee members in the organising committee to make this event a success.

Let me switch now to the development aspect of Changi course. Back in 2014, the club announced that the expansion of Changi Airport and plans for road works would affect our golf courses at Changi. To accommodate the final phase of land return, holes #16 and #17 which are closely located to the existing boundary line will undergo reconfiguration from 1 Aug 2018 – 31 Jan 2019.

The club will also seize this opportunity to re-grass holes #13, #14 and #15, which will improve conditions of the playing turf.

During this reconfiguration work, members can expect full 18-holes at all times. However, minor disruptions can be expected and the club will endeavour to minimise this to the maximum extent possible.

Once again, thanks for your support for Charity Golf 2018 and happy golfing!

Tan Kah Han
Club Captain

Golf 1-0-1 contributor Brian Tan is a member of the Greens Committee, and oversees Rules and Tournaments at NSRCC. When he's not busy officiating as a Rules Official, he can be found contributing balls to NSRCC's water hazards.

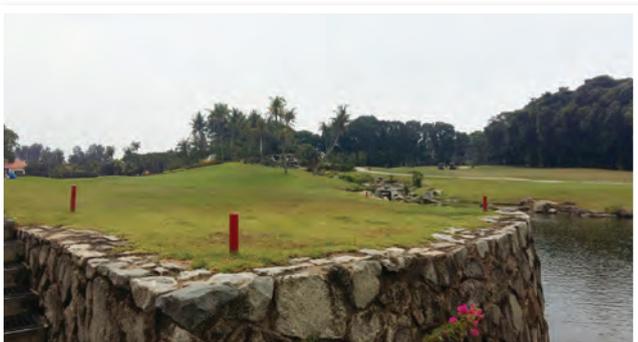

Changes in Course Markings

In this second part of a two-part special, we look at changes in course markings made on Hole 3 of our new front 9. These changes, in response to golfers' feedback to the Greens Committee, are implemented with the main intention of making the course more playable and enjoyable by reducing ambiguity should a player's ball end up where it is not intended to go.

Hole 3

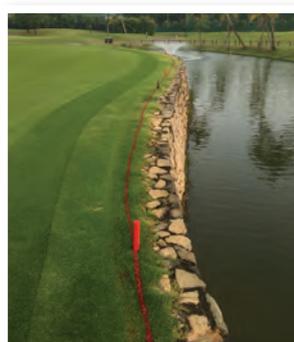

B E F O R E

Red stakes that surround the bridge could be interpreted as the bridge and stairs not being inside the lateral water hazard.

A F T E R

Red lines have been added to give clarity as to the intended area of the stairs and bridge being inside the lateral water hazard. When there are both stakes and lines, the stakes identify the hazard and the lines define the hazard margin (See definition of Water Hazard). The line on the ground is itself inside the water hazard, so as long as a ball touches the line, it is considered inside. The stakes which identify the hazard are obstructions, and in NSRCC, we deem them to be immovable obstructions so if a player's ball is not in the hazard and the intended area of swing or stance suffers interference, please do not remove the stake as you are entitled to free relief.

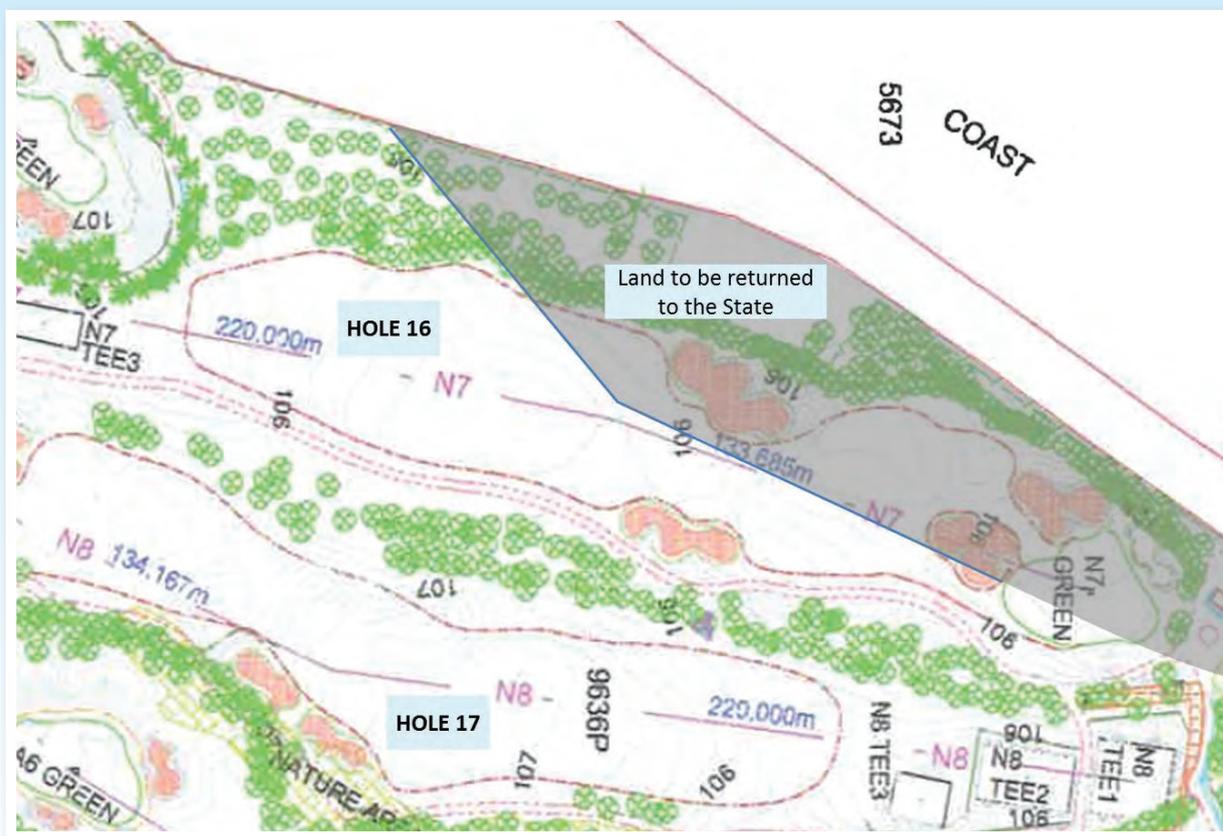

Reconfiguration of Holes #16 and #17 at NSRCC Changi

Back in 2014, the Club had announced that the expansion of Changi Airport and proposed road works would affect our golf courses at Changi. This was followed with extensive reconfiguration efforts to ensure the remaining facilities continue to serve members well.

In the original blue print for land return, a very small plot of land bordering Changi hole #16 will be affected in late 2019. This will mark the completion of the land return plan announced back in 2014. Therefore, the Club will carry out the necessary reconfiguration works at holes #16 and #17 from Aug 1 2018 – Jan 31 2019 to effect the change in land configuration.

Area of Land to be returned to the State

The existing plot of land where hole #16 is within close proximity to the designated area of land which will be returned to the State. Both holes #16 and #17 will need to be realigned, as the existing boundary lines will be shifted inwards, forcing #16 to encroach onto the area occupied by #17. The reconfiguration of both holes #16 and #17 will be carried out from Aug 1 2018 – Jan 31 2019.

Temporary Line of Play during Reconfiguration Process

The golf course will continue to remain 18-holes playable throughout the entire reconfiguration period. Temporary greens/tees will be constructed for both holes #16 and #17. The diagram highlights specific areas of the on-going construction and also indicates the temporary line of play.

Hole #16 will be played as a Par-3 hole, and Hole #17 will be played as a shorter Par-4 during the on-going reconfiguration.

New Layout of Holes #16 & #17

The reconfigured holes #16 and #17 are scheduled to be opened for play on 1 Feb 2019. The diagram indicates the new layout of holes #16 and #17, following the reduction of the existing boundary line and the completion of the reconfiguration process. Holes #16 and #17 will continue to play as a Par-4, while the 10th tee remains as par 36. In brief, the distance at hole #16 will be shorter by about 50 meters, and the distance of hole #17 will remain about the same, as per before reconfiguration.

Phases of Adjustments to Range of Distances at Hole #16 and #17

Existing Distance		
	Hole #16 (Par-4)	Hole #17 (Par-4)
Blue Tee	355 meters	356 meters
White Tee	327 meters	335 meters
Red Tee	292 meters	298 meters

Distance during Reconstruction Period (Aug 1 2018 – 31 Jan 2019)		
	Hole #16 (Par-3)	Hole #17 (Par-4)
Blue Tee	173 meters	298 meters
White Tee	144 meters	298 meters
Red Tee	113 meters	283 meters

Newly Reconfigured Layout (1 Feb 2019)		
	Hole #16 (Par-4)	Hole #17 (Par-4)
Blue Tee	301 meters	358 meters
White Tee	273 meters	313 meters
Red Tee	239 meters	275 meters

Re-turfing of Holes #13, #14 and #15

The Club will take the opportunity in carrying out a major re-turfing exercise at hole #13, #14 and #15 during the reconfiguration process. Some benefits include better playability and smoother turf surfaces. With good turf density, mowing heights can easily be reduced to allow faster green speed.

For the other holes at tenth tee, the Club will carry out turf replacement exercise progressively at later time, in order to bring the turf condition of tenth tee on par with first tee.

There will be some inconvenience to on-going golf games, as only part of the greens will be blocked off and works carried out in the night. Do look out for the affected areas marked with "G.U.R." sign. The Club seeks your understanding and cooperation during the reconfiguration period, and will endeavour to keep the disruptions at a minimal, for members to continue enjoying their golf.

Important Information for Members

- The 6-month reconfiguration process will commence from 1 Aug 2018 till 31 Jan 2019, and resume normal play from 1 Feb 2019.
- The existing boundary line will be reduced to facilitate the land return, and holes #16 and #17 will be re-adjusted.
- Hole #16 will be temporarily played as a Par-3.
- Hole #17 will be temporarily played as a shorter Par-4.
- Throughout the entire reconfiguration & re-turfing process, the golf course will remain 18-holes playable.

Frequently Asked Questions (FAQ)

Q1. When will the reconfiguration of holes #16 and #17 commence and complete?

The reconfiguration process will commence from 1 Aug 2018 and complete by 31 Jan 2019.

Q2. Will the Club be required to return any more land to the state?

There is no indication of any more land return after the 2014 announcement.

Q3. Hole #16 sits on the land closer to the existing boundary line, so why is there a need for Hole #17 to also undergo reconfiguration?

To facilitate with the land return, the existing boundary lines will be shifted inwards towards hole #16. This will in turn affect the existing layout of hole #17 and will therefore require realignment.

Q4. How will the golf course at Changi remain 18-holes playable, when both holes #16 and #17 will be reconfigured?

Temporary greens/tees will be constructed at both holes #16 and #17, to ensure that we are able to provide an 18-holes playable course at all times to our members.

Q5. Why only re-turf holes #13, #14 and #15, what about #10, #11, #12, and #18?

The #13, #14, and #15 are in a condition that requires major re-turfing soon. The conditions of the other holes are less severe and will be rectified at a later time progressively.

Teeing Off for A Good Cause!

NSRCC Charity Golf 2018 was a success, all thanks to our kind sponsors and supporters! The Club raised over \$328,000 for our five beneficiaries: Arc Children's Centre, Marymount Centre for Kids, Sunbeam Place, Bowling Association for the Disabled (Singapore), and SAF Care Fund.

This was made possible with the generosity of donations through in-kind and cash sponsorships, the hard work put into the sale of Raffle Draw booklets, as well as the enthusiastic support during the live auction of a painting and an exclusive NS50 flag at Sunday's dinner.

The prestigious event was held at NSRCC Changi over the weekend of May 26-27, with Minister for Defence, Dr Ng Eng Hen, gracing the event as the Guest of Honour.

Our Customer Service Officers at Resort Bowl proudly donning their new uniforms!

On Jun 1, NSRCC launched a new set of uniforms for its frontline staff, ranging from Customer Service Officers to the Course Maintenance Crew.

The new uniforms sport a sophisticated new look, reflecting the myriad colours of the NSRCC logo. This delightful change comes after four years and is in line with the Club's aspiration to continuously improve itself and to provide a welcoming and memorable experience for our members and guests.

The variety of different designs interplay bright and dark colours to exude a polished and classy appeal, imbued with a touch of vibrancy to reflect a certain liveliness expected by members and guests.

New Uniforms for Our Frontline Staff

The new uniforms are designed by Neptune, a home-grown company which has many established hospitality brands in its clientele list. They encapsulate what the NSRCC brand stands for - modernity that keeps up with changing times, while remaining the Resort & Country Club of choice for NSmen and their families.
