Dear Members

This issue of Resort View comes with a new design look and the intention is to provide a fresh feel and look of our Club's newsletter to make it more vibrant and pleasant for reading. We hope you like it!

Our annual Charity Golf was organised at NSRCC Kranji during the weekend of 13th and 14th May. The Club raised more than \$300,000 for our beneficiaries. A big thank you to all donors, sponsors and participants!

June is the time of the school holidays and we held our 20th Annual Swimming Carnival where 45 children competed for swimming honours. Parents also had a good time as there was a Parent-Child Relay! Our junior golfers were also out in force at the NSRCC Junior Open where they did well against competition from other clubs. Flip inside for the all our event coverage.

On the snooker front, our cue stars did us proud in the annual local league by emerging champions in two divisions for the first time. Many

congratulations to the team members! Join us on 5 & 6 August 2017, where we will be hosting our Open House. Look out for great promotions for existing and new members.

Included in this issue, we have our regular Get Healthy and Golf 101 articles. In addition, we have information of our upcoming NSRCC Open House and a golf trip to 3 of our affiliated clubs in Malaysia. Do gather your friends and sign up!

With this issue of Resort View, I will hand over the Editor's post. I enjoyed my time spent as an Editor and I hope that you have enjoyed reading our work. Taking over the Editor role will be my committee member, Swee Kiat who had been volunteering in the Editorial Committee for a few years now. I am sure this Club's newsletter is in good hands and that he will continue to make it informative and entertaining for you.

Thank you and see you around the club.

Tan Sze Wah
Outgoing Editor

It is my privilege to take over as Editor of Resort View from Sze Wah. After serving in this position for about six years, he is moving on and we wish him well in his future endeavours.

While I have been in the communications line for most of my professional life, this will be my first time helming a country club magazine and I am looking forward to the challenge.

There is always a constant buzz in a club like ours as members and their families and friends

enjoy numerous social and sporting activities that are available. Resort View has captured many of these events in vivid words and pictures over the years for the benefit of our members, and we will continue to do so. The ultimate aim is to ensure that all members, even the inactive ones, stay connected to our vibrant club life.

If you have any suggestions that will help us improve Resort View, do drop us a note. We would love to hear from you.

National Snooker League

The Club sent two teams to compete in Divisions 3 and 4 of the National Snooker League this year. Both teams finished the league at the top of their respective divisions!

NSRCC Snooker Team (Division 3)

NSRCC Snooker Team (Division 4)

The teams do not train under any coaches, so what is their secret winning formula? “Most players come to NSRCC at any time of the day and night to train and spar among themselves. During practice plays, our players share tips on certain difficult shots and strategies,” says Dennis Tan, Captain of the Division 4 Team.

Roger Chan, Captain of the Division 3 Team adds that the team members also have a very good understanding and respect for each other where they are able to comment openly on one another’s tactical techniques during training.

In addition to their rigorous training, both teams are also very competitive and focused on their ultimate goal: to win the Champion title. As proven, their hard work has paid off!

Service Champions of the Year

Winners of the Service Excellence Award (SEA) Top Awards for the Year

Golf: Poh Eng Choon, Senior Buggy Steward (Grade III)

This is not the first time that Poh Eng Choon has clinched the SEA Top Award but he was still surprised when he got to know of his achievement, because according to the Senior Buggy Steward, “I was just doing my job.”

Members and colleagues have described him as very friendly, talkative and cheerful.

He is always seen greeting members by their names and making small talk with them, providing a personal touch when delivering customer service. That is how Eng Choon ensures that he constantly provides excellent service in his job.

Eng Choon says this award is not only recognition for his hard work and efforts; it will also motivate him to become better at serving members and guests while doing his job.

Resort: Julie Ho, CSO, Jackpot (Grade I)

“I only started working at NSRCC in March 2016 so I was extremely surprised to receive this award,” says Julie. The first-time SEA Top Award winner says that although she is new, her constant interaction with members have helped her better understand their needs, and in turn ensuring they are comfortable during their time in the Jackpot room.

Julie adds that ample training on customer service provided by the Club has also helped her in doing a great job.

The award has made Julie more humble, and she says she will continue to do her very best in serving guests because at the end of the day, “They are also my bosses.”

KSGC: Siti Aishah Bte Sharir, CSO, KSGC (Grade II)

There is little wonder to why Siti Aishah has been chosen as this year’s winner once more. Whenever an unhappy situation occurs, she remains calm. “I always try to understand why the member could be unhappy so that I can try my best to solve the situation and render assistance. If both parties are unhappy, nothing moves forward positively,” she says.

Another key factor is her warm, sweet smile which greets members’ right before and after their golf game. She says: **“It is humbling to know that members appreciate the small gesture.”** It is situations like these that motivate me to keep on smiling every day at work! I will try my best to give my best every day to make sure our members feel welcomed at the club!”

20TH ANNUAL SWIMMING CARNIVAL

The ambience surrounding the swimming pool at NSRCC Changi was filled nothing but sheer excitement on Sunday, 28th May 2017, as the Club held its 20th Annual Swimming Carnival. 45 Children between the ages of 5-13 took part in this competition.

There were four different categories – 50m Kickboard, 50m Butterfly, 50m Freestyle and 50m Backstroke - for the boys and girls. A special category, the Parent-Child Relay, saw fathers competing in the pool with their kids. We were blessed with the good weather on that day which led to a successful event! Our heartiest congratulations to all who participated!

NSRCC Junior Open 2017

NSRCC Junior Open 2017 saw up and coming youth golfers proving their competencies at the greens of NSRCC Kranji. The championship was held over the span of three days from 30th May to 1st June 2017.

Our very own junior member, Ryan Wong, emerged top as the Overall Boys Best Gross Winner with a score of 216! The Boys Best Gross Winner was also clinched by a NSRCC Junior Member, Andre Chong.

Our junior girls did well too, with Erika Layson and Vanessa Chua named as Girls Best Gross Runner-Up and Girls Best Nett Winner respectively. Meanwhile, Anne Leqi Fernandez from Singapore Island Country Club took home the trophy for Overall Girls Best Gross Winner.

Winners of the NSRCC Junior Open 2017

We are so proud of our junior members and we congratulate all the winners!

The What & Why of Club Fitting

By **Bernie Tan**,
Certified Instructor, Mizuno Golf School

Club fitting is an important factor in purchasing a suitable golf club. Back in my university days, I studied club fitting as a subject. However at that time, I didn't realize how important it is and the role it plays in helping one avoid making unnecessary compensations in one's swing. Club fitting has many benefits. For example, it helps golfers make better decisions by purchasing clubs that will be less likely to disappoint them.

There are so many different golf clubs out there in the shops with different types of shafts that would suit different types of people. With a fitting session, golfers are able to understand more about what is going on in their swing and have their clubs uniquely fitted to their personalized measurements and length that would help maximise distance, accuracy and consistency in their game. It also helps to prevent unnatural habits that may be formed in their swing due to an unsuitable club.

At Mizuno Golf School, we have our very own fitting system. It is one of the leading fitting systems at a local golf club level. In Mizuno's fitting system, the Mizuno shaft optimizer can establish a golfer's club head Speed, Swing Tempo, Shaft Toe Down, Shaft Kick Angle and Shaft Bending Factor. The shaft optimizer scientifically analyses with high accuracy all of the above factors.

From my experience and having had the opportunity to test it out, the system has shown accurate results and it will suggest a few shafts options for the golfers to try out. The Shaft

optimizer also helps golfers to find out their swing DNA and to understand how they are swinging it in relation to what shaft and club would be more suitable for them.

We recommend golfers to get custom fit golf clubs to maximize results and boost confidence in their game.

Golf 1-0-1 contributor Brian Tan is a member of the GreensCommittee, and oversees Rules and Tournaments at NSRCC. When he's not busy officiating as a Rules Official, he can be found losing balls in NSRCC's water hazards.

Potential Rules Situations on the **New First Tee**

In this mini-series, we'll be covering potential situations you might find yourself in when playing the new 9 holes at NSRCC.

Hole 4

From the tee shot, there are already a few potential hazards your ball may end up in. On the right, there is a lateral water hazard that runs the right side of the dog-leg. On the left, there is our signature waterfall which is also a lateral water hazard.

1.) This hazard extends along the left side of the dog-leg but tapers off at the back after the waterfall mound. If you have a good tee shot but to the left, be sure to check that your ball has not gone past the hazard. Alongside the lateral water hazard is the buggy track. If your ball enters the lateral water hazard, you are afforded 2 club lengths not nearer the hole from the point of entry and may have to drop on the buggy path and then take separate relief from the buggy path for your next shot.

2.) If you have a really good tee shot and it runs over the fairway, there is a flower bed beyond the fairway.

3.) You have to be virtually certain that your ball is inside the flower bed before being afforded relief from the flower bed. If you are not virtually certain, you have to play it as a lost ball and under penalty of 1 stroke, replay from as near as possible at the spot the original ball

was played from. If you are virtually certain that your ball is in the flower bed, then you are afforded 1 club length not nearer the hole from the nearest point of relief and may have to drop on the buggy path and then take separate relief from the buggy path for your next shot.

4.) Beyond the green lies another lateral water hazard. If you overshoot, you are afforded 2 club lengths not nearer the hole from the point of entry, or alternatively you can replay your shot from the as near as possible at the spot the original ball was played from. You could technically go to the opposite side of the lateral water hazard and drop equidistant from the point of entry, but this is impractical and would probably hold up play.

Happy golfing!

Greenside Matters

JULY/AUGUST 2017

Dear NSRCC Golfers,

NSRCC successfully hosted its 22nd Charity Golf at NSRCC Kranji on 13th & 14th May 2017. On behalf of the Club and our adopted beneficiaries, I thank all sponsors and participants for their generosity in supporting this cause. With that completed, we now look forward to our next event, NS50 Golf to be held on Saturday, 15th July at NSRCC Changi, where we will commemorate 50 years of National Service.

Just another reminder as well, that from 1st July 2017, the 3-year \$15 green fee rebate scheme will expire, and full green fees will apply.

We would also like to take this opportunity to draw your attention to some of the Club's golf-related rules:

Control of Play

1. Handicap Index vis-à-vis Tee Box Colour.

Due to our high utilisation rates, and to better regulate the pace of play for the enjoyment of golfing at both NSRCC Changi & Kranji, golfers are to tee-off from the respective tee position commensurate with the handicap index indicated in the table below.

TEE	HANDICAP INDEX
Blue	18.4 & Below
White	18.5 & Above
Red	Ladies with 36.6 & Below

On this note, members are again reminded to sign up with the SGA Centralised Handicap System if you have not already done so.

2. CAT 1 (Lightning Risks and Inclement Weather) Delays and NSRCC Rain-check Policy.

Where we are located geographically, we occasionally experience the necessity of CAT 1 (Lightning Risks and Inclement Weather) announcements which is for the safety of all our

golfers. To better facilitate management of play, golfers who have paid for an 18-hole game will be compensated with a rain check as follows:

- a. Morning session golfers who can only complete 9-holes or less and are unable to cross-over to the 2nd 9-holes (to tee off) before 11.45am.
- b. Afternoon session golfers who can only complete 9-holes or less and are unable to cross-over to the 2nd 9-holes to tee-off due to course closure or darkness.

Golfers requiring any clarification on these matters can approach either of our Club's Golf Reception Counters for more information.

Wishing you all Happy and Safe Golfing!

Tan Kah Han
Club Captain

Golfing for Good at Charity Golf 2017

Over the weekend of 13th & 14th May 2017, NSRCC successfully hosted its 22nd Charity Golf at NSRCC Kranji.

Since the inception of the Club in 1995, the club has readily provided a fundraising platform which has given rise to many meaningful collaborations, proving beneficial to the less fortunate people in our community.

Graced by Minister-for-Defence, Dr Ng Eng Hen, the event aimed to extend a helping hand to organisations that care for the destitute and/or ill elderly.

As a collaborated effort between the Organising Committee, prestigious sponsors and longtime donors, over S\$300,000.00 was raised.

6 Benefits of a Personal Trainer

1. They are knowledgeable.

Personal Trainers are trained in teaching others how to exercise. Therefore, they can provide you the most effective training to reach your goals.

2. They help you to perform.

Having a trainer beside you to demonstrate the correct posture and technique is invaluable. They will ensure that you perform the exercises correctly and efficiently, in order to maximise results.

3. You get a tailored training program.

Everybody is different and there is no one size fit all in training programs that you can find on the internet or through a fitness app.

4. They help you set realistic and specific goals.

Personal Trainers will not only help to set realistic goals, they will also help to keep you on track by giving you specific achievements in order to hit the end result you desire.

5. They ensure that you are committed.

How many times have you procrastinated or find excuses for yourself not to hit the gym? This is when a Personal Trainer is critical in ensuring that you commit and stick to your fitness goals.

6. They are unofficial therapists.

It is well known that physical exercise helps with mental health. And most of the time while exercising with your Personal Trainer, you will tell them about your week, how is work, and what is troubling you.

Enjoy all these benefits with the Personal Training Programmes at NSRCC Fitness Centre.
