Dear Members,

Our Club joins Singapore in saluting all NSmen as the nation marks 50 years of National Service (NS50) this year. To celebrate this landmark, the Club organised several commemorative events including a NS50 golf tournament and an Open House Carnival with attractive membership incentives. These events attracted huge turnouts but if you happened to miss them, we have the highlights in this issue.

In the sports arena, our members continue to do us proud with their achievements. Our golfers emerged first runner-up in the Singapore Golf Association's Inter-Club League, holding their own against clubs with stronger golfing traditions. Youth bowlers, Lim Wan Ling and Xavier Teo, took top honours in local and regional competitions that they competed in, signalling their future potential. Congratulations to all!

Still on sports, many golfers could be seen dressed in their best red and white outfits while out on the course on 9th August. They truly made a pretty and patriotic picture on our National Day! Golfers will also be happy to know that our new golf driving range is scheduled to be completed in 2019. In this issue, we give you a sneak preview of what it is going to look like.

And if you sniffed something wicked in the air during your recent visit to the club, it was not your imagination playing tricks! Our sell-out Durian Fiesta was holding court again, attended by a capacity crowd of durian aficionados indulging in the king of fruits. We have a picture spread that tells it as it is. For a whiff of air of a different kind, a group of members and their families went up north on a discovery tour of Desaru farms and returned with stories to tell.

Many more activities await members in September and October, foremost among which are a Mid-Autumn celebration under the stars and the ever-popular farm and other tours. Be sure to sign up early to secure your place.

Have a wonderful time at the Club!

A full house at NSRCC Durian Fiesta 2017!

Feasting on the King of Fruits

Durian Fiesta held on 29th July was blessed with good weather, and an ambience of excitement and the occasional whiff of durians at every corner of The Courtyard. Some guests arrived as early as 5.30pm, an hour before the event was scheduled to begin. By 6.30pm, people were streaming in steadily, all looking forward to the feasting ahead! After everyone was seated comfortably, they were invited to get their first serving of the sapid Mao San Wang durians.

Everyone soon settled down to enjoy their helpings of durians, and were entertained with games related to durians of course, and also National Day which was just a week away. As the evening progressed, the durians were fast running out and guests were informed that a second batch of durians was on its way, resulting

All cut up and ready to be eaten

in them having to wait for refill. The first round of the lucky draw was conducted in the meantime, with amazing prizes waiting to be won.

The second batch of durians also ran out not too long after its arrival, filling all the hungry tummies. As everyone took their last bites, the final round of the lucky draw was conducted to bring the evening to a close.

The crowd this year was double that of last year and we would like to thank everyone for taking the time to support our second Durian Fiesta. See you at the next one!

A Day Tour to Desaru Farm & More!

On Saturday, 24th June 2017, eager participants were already at the club by 6.15am, excited to head for the tour to Desaru Fruit Farm. The tour group left NSRCC at 6.40am and reached the farm before noon.

The tour started with the guide bringing the excited group around the eco farm, showing us the myriad of fruits and vegetables such as long beans, chilli padi, rock melon, and maize to cite a few examples. The children who had the opportunity to feed goats and rabbits, were enjoying themselves so much that their parents

had a hard time getting them to stop for lunch! Using the fresh ingredients from the farm, lunch scored big with everyone! After all tummies were filled, participants had the chance to try out paddy planting. It was indeed an experience for most following the distinctive steps to grow rice, and there were many satisfied faces! The group then spent some time leisurely canoeing on the lake, racing and splashing around the water.

It was time to proceed to the next destination, the Crocodile Farm, but the group did not leave until shopping at the fruit farm was completed!

Do I look too excited to be carrying a crocodile?

The Crocodile Farm which is located at the edge of Johor, is home to approximately 100 gigantic crocodiles, both young and old. There were even crocodiles that were more than 100 years of age and massive in size! At the end of the crocodile farm tour, the young participants had a phototaking session with a cute baby crocodile. A pair of twin boys were especially excited because

they had been looking forward to it since the start of the trip. That wrapped up the tour for the day and the group went for some shopping at AEON Tebrau City, followed by dinner at a local restaurant. It was a fun and fulfilling experience for the participants, for all! We are very grateful to the tour guide Mr Poh and coach driver Mr Yao who provided much insight to spots visited and ensured they were visited in a timely manner!

Our Youth Bowlers Make Us

Lim Wan Ling (2nd from left) with Acting National Head Coach, Mr Francis Yeo (1st from left) and other winners in the U12 Girls Division (Photo Credit: SBF)

“ When I realised that I was leading, I told myself to continue with my pace, don’t be lazy and don’t be arrogant. I maintained consistency until the end. I was so happy! ”

NSRCC Youth Bowler, Lim Wan Ling clinched the title of Champion in the U12 Girls Masters Finals during the 49th Singapore International Open. With a total score of 1416, Wan Ling, 12 years old, defeated 17 other bowlers during the competition. She won \$500 cash and a trophy.

That marked Wan Ling’s 6th bowling champion trophy, out of the 10 that she had achieved. Lo and behold, it was the first time that Wan Ling took part fully in the Singapore International Open. She also competed last

Lim Wan Ling with all of her 10 bowling trophies

year, but wasn’t able to continue after facing a thumb injury before completing the qualifying rounds.

When asked what her strategy was during the finals, Wan Ling shared: “As there are many games in a Masters Final, I started slow. I took my time to get used to the lanes. Slowly, I rose to the top by the end of the game. When I realised that I was leading, I told myself to continue with my pace, don’t be lazy and don’t be arrogant. I maintained consistency until the end. I was so happy!”

This young talent had been participating in bowling competitions when she was just 8 years old. Her inspiration to take up bowling is none other than her elder brother, Lim Kai Jie, another NSRCC Youth Bowler. We asked Wan Ling, so now with all of her champion trophies, who is better? She answered: “My brother is still a better bowler!”

Besides the motivation that she gets from her brother, Wan Ling also attributes her superb performance in bowling to the excellent support from her parents. “They always come to every competition that I take part in, they are always there for me,” she says.

She adds that the bowling ‘family’ at NSRCC plays a part in her achievements. “We don’t just train together. At the end of training, we play games which help me to reflect on what I’ve learnt during training.

Proud, Here & Overseas!

*Xavier Teo receiving his Champion trophy during the 17th Kaohsiung International Open
(Photo Credit abf-online.org)*

Our very own NSRCC Youth Bowler made a name for himself in Taipei after triumphing as the Champion of Youth Open Masters Finals during the 17th Kaohsiung International Open. He scored an amazing 1624 points. In fact, the 16-year-old was already at the top during qualifying rounds, leaving behind bowlers from Taiwan and Malaysia. Xavier brought home USD1000 and a trophy.

“It felt really great as it is my first international title and it showed that my hard work over these years is paying off. It gives me more motivation to continue training hard and the confidence to perform better in future tournaments,” Xavier said.

His astounding achievement is a stark difference from his performance during last year’s Kaohsiung International Open, which saw him participating for the first time. Xavier only managed to finish the qualifying round at the 23rd position. So, what was different this year? Xavier pointed to three things: “One of the key factors was my state of mind on day of the Masters Finals. I was composed and relaxed and I didn’t feel as nervous as before. My hands weren’t sweating much which possibly contributed to my win as I was able to keep my cool and execute good shots.

“Another key factor was the coaches, Coach Jensen Lim and Coach Vincent Lim, who were with me during the competition. Whenever I threw a bad shot, they would be there analysing my shot. They would tell me what went wrong so that I could take prompt action and corrective measures to improve on the next shot.

“Lastly, the support from my parents and friends also contributed to my success. Knowing that I had people rooting for me motivated me and gave me the strength I needed to persevere and don’t give up.”

Xavier started bowling at an early age of 9 years old. Today, the Singapore Sports School student is training under the National Development Squad. All the best and continue making us proud, Xavier!

“It felt really great as it is my first international title and it showed that my hard work over these years is paying off.”

NSRCC Emerge 2nd in SGA League

Team NSRCC

CONGRATULATIONS!

SGA Inter-Club League Tournament 2017's Overall 1st Runner Up!

The SGA Inter-Club League (ICL) is a competition based on a mixed format of round-robin and knockout match play games. ICL is open to all SGA ordinary members/clubs and as in previous years we fielded a team to represent NSRCC.

Each club forms a team of 30 players comprising 4 players in the "Premier" Division, 6 players each in the "A", "B", "Senior" Divisions and 8 players in the "Ladies" Division. The "Premier" Division is the highest and "B" Division the lowest for the men's Divisions.

Enroute to the finals playing against Seletar CC, Team NSRCC came in second in one of the two groups for the round-robin segment, eventually going on to play and defeat Raffles CC in the quarter-final and Singapore Island CC in the semi-final.

Was that a good shot?

Despite a strong showing in the final against Team Seletar on 23rd July at Laguna National GCC, Team NSRCC lost by a narrow 3 points (6 points to SCC's 9 points). Nevertheless, it was a very commendable effort by Team NSRCC and we salute all team members. Thank you!

Besides being Overall 1st Runner-Up for the SGA ICL 2017, Team NSRCC also won the men's Premier, B and Senior Divisions.

Going forward, current and previous years' League players, club tournament winners and those who are interested to represent the club will be invited to do NSRCC proud again in the ICL next year.

Starting Golf Young

By Bernie Tan,
Certified Instructor, Mizuno Golf School

Shane (centre) learning a drill during golf class

“Are they too young?” I often get this question when I am having a class with young kids aged 2-5 years old. First of all, there is no particular age for kids to start golf. Kids start learning golf at different ages and it is more important that they enjoy their lessons and the process that they go through.

However, I would like to say that starting young definitely has its benefits. Golf is a sport that can be introduced through the ages.

I started golf at the age of 7 and it has taught me so much about the game and knowing myself as a person. It is a game that is unique in its own way. There so many things we will learn in golf that can be applied in real life.

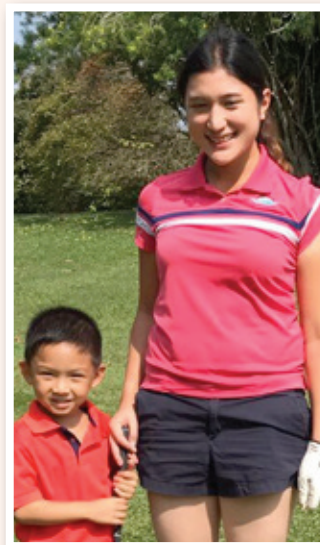

Here are some of the main reasons and benefits of starting golf from young:

- 1. Develops focus and discipline**
- 2. Instills confidence and patience**
- 3. Teaches the core values of honesty and courtesy towards others. Builds body awareness, spatial awareness and functional movement skills**
- 4. Imparts skills in managing the golf course and making wise decisions for each golf shot**
- 5. Builds character and integrity**

At Mizuno Golf School, we teach people of all ages from kids to adults and we take in kids as young as 2 years old. Do let your kids have a try and enjoy the journey that golf will bring them through. It will be an exciting one.

A testimony from Mdm Gina Gee on her son, Shane, who is currently 4 years old and started golf at the age of 2.5 years old:

“Shane has always been an extremely active child and he can never focus on any single activity until he found golf. He can practise on his swings and putting for up to 2 hours at a stretch, which is quite an achievement for his age. Also, I think golf has helped him learn to manage his emotions, like how he had to sit aside when he was having a bad day on the putting green, instead of going on and on and getting frustrated because the ball just wasn’t getting into the hole. There are also other improvements we saw, his strength and coordination. So we definitely would love for him to continue taking this sport.”

The writer poses with Shane on the greens

Golf 1-0-1 contributor Brian Tan is a member of the Greens Committee, and oversees Rules and Tournaments at NSRCC. When he's not busy officiating as a Rules Official, he can be found losing balls in NSRCC's water hazards.

Potential Rules Situations on the **New First Tee**

In this mini-series, we'll be covering potential situations you might find yourself in when playing the new 9 holes at NSRCC.

Hole 5

Golfers may remember the tee boxes used to be part of the previous Army course. In the new layout, Hole 5 is now a Par 4.

If one has a wicked hook off the tee, you might end up in the flower beds on the left where one must be virtually certain the ball is in the flower beds in order to obtain free relief, or you'll have to go back to the tee to play as a lost ball.

A wayward tee shot to the left could end up in water, or along the buggy track. Relief is afforded on the fairway side of the buggy track as the red stakes line the left edge of the buggy track and the nearest point of relief cannot be in a hazard.

A wayward tee shot to the right could end up in the group of thick trees.

Beyond the trees lay a lateral water hazard.

The 2nd shot is over a water hazard and if your ball enters the water, there is a drop zone on the left hand side. This drop zone is meant for when balls last cross the margin of the water hazard (yellow stakes) and not for balls which entered at the portion marked as lateral water hazard (red stakes) which would be an undue advantage if used in that case.

To the back of the green is some fencing to protect the green from shots from Hole 3. If your stance or area of intended swing suffers interference from the fencing, relief is afforded. Establish the nearest point of relief not nearer the hole and then drop within 1 club length. To the far right of the green is another flower bed and beyond that is OB to protect golfers on the practice putting green. Once again, one must be virtually certain that the ball is in the flower beds before relief is afforded.

Happy golfing!

Greenside Matters

SEPTEMBER/OCTOBER 2017

Dear Golfers,

The SGA maintains an **Order of Merit (OoM)** based on the Golfer's performance tracked over a rolling 12-month period ending December of each year. The **Order of Merit (OoM)** uses the R&A World Amateur Golf Ranking (WAGR) System of calculating points and players, will be ranked in accordance with the points accumulated. The Order of Merit will then be used for the selection of Golfers for participation in National or Overseas Tournaments.

To grow the interest of the game even at a senior level, and at the same time, continue to provide a more competitive platform for our senior golfers', the SGA recently announced the start of the **senior's "OoM"**. The SGA **Senior's "OoM"** Ranking System provides senior golfers' in our golfing community, the opportunity to monitor player movements based on results from SGA-organised events, tournaments or National Ranking Games (NRG).

For a start, the SGA will also include selected seniors from golf clubs, such as NSRCC, for the NRG. And as an incentive, the top three (3) OoM players will represent Singapore at the World Senior Amateur British Championship in 2018. The qualifying age for Senior OoM is 55 years old. Senior golfers' who are interested, can approach the golf reception counters at both our Clubhouses for more information.

NSRCC Rain-check Policy-Morning 9-Hole Flights. In the July/August issue of Greenside Matters, we reiterated the necessity of CAT1 announcements for the safety of our golfers', and also NSRCC's Rain-Check Policy. Further to this, a review was conducted on our "Morning 9-Hole flights" so as to better regulate the pace of play when there is a CAT1 weather delay. The review has shown that introducing a cut-off time for these flights, will better improve the overall pace of play. As such, starting from 2nd October 2017, all 0701 and 0708 flights that have not Tee-off by 0800 Hrs due to CAT1 will be cancelled and a full refund will be made. For flights that have teed-off, and if play has been suspended, they will be allowed to continue with their game once the course reopens. Notices on this change are displayed on the Notice Boards, at Golf Receptions and our golf booking website.

Club's Upcoming Golf Event - Following the successful completion of our NS50 Golf game on 15th July 2017 (**See Page 16 & 17 Featured - NS50 Golf**), we now look forward to our next golf event, being "Captain's Cup" on 30th September 2017. We hope to see you continue to support our Club's golfing events.

Happy Golfing!

Celebrating NS50 with a Golf Tournament!

Minister for Defence, Dr Ng Eng Hen trying out the 'buggy tanks' that were made specially for this event!

Have you ever seen a 'buggy tank'? It was the star of NS50 celebrations at NSRCC! The buggy tank made its debut during our NS50 Golf Tournament on 15th July 2017. It got so much attention that even the Minister for Defence, Dr Ng Eng Hen, posted photos of it on his Facebook page.

The tank was a result of hard work by our course maintenance team; they decorated a green buggy and transformed it to look like a military tank. Golfers were busy posing with it after registering for their game and everyone was in high spirits.

Having fun posing with NSRCC's very own buggy tank!

Reliving their NS days with camouflage hats & plastic rifles!

The good mood continued through the game, especially with the very lovely sunny and windy weather. The golf game was made more enjoyable with novelty prizes for Longest Drive and Nearest to Pin. We would like to extend our special thanks to the sponsors and a huge congratulation to the winners!

Dinner at Jumbo Restaurant was made more memorable with a singing duo rendering familiar tunes including the popular National Day song, Home. It was indeed a wonderful day to commemorate 50 years of National Service in our country.

A busy weekend for our membership team!

NSRCC's Biennial Open House, NS50-Themed!

It was a colourful weekend at NSRCC Changi from 5th to 6th August 2017. There were plenty of exciting activities during the NS50-themed Open House Carnival, both for the young and young at heart! A magic show, face painting, henna drawing and even flea market stalls selling unique knick knacks with a good deal. The treats were no less, from sweet popcorn and ice-cream, to savory, piping hot pancakes and churros.

Members who signed-up and renewed the membership during that weekend received fabulous treats including a limited edition NS50 NETS Flashpay Card.

Get Healthy

5 Fun Ways to Get Active

1. Getting active starts at home

Did you know that doing housework burns a lot of calories? In fact, the amount of calories burnt while doing housework might even rival a short stroll. It's time to keep your house clean, and keep your body lean. Talk about killing 2 birds with 1 stone!

Try this out: Clean up and reorganise your storeroom! All the lifting, moving around the house and cleaning is guaranteed to work up a bucket of sweat. Plus, your wife may be very thankful for it.

2. A family that walks together stays healthy together

Activities are always fun when there are more people doing it together. More so if they are your loved ones!

Try this out: Organise a family stroll by the seaside or walk at a park nearby and make it a weekly affair. It will be a healthy opportunity to form deeper bond with your family!

3. Time to kid around

There is no better time to foster a healthy lifestyle with your kids, than when they're young. While they are young and impressionable, it is easier to nurture a habit for healthy living.

Try this out: Instead of sitting at the side, why not join in? Learn with your kids by picking up a new sport like squash, tennis or basketball, or simply monkey around! By bringing out the fun side in you and embracing your inner kid, it will help build a stronger bond with your children too.

4. It's more than an office cubicle

Most working adults spend majority of their day in the office and it can become a great place to stay active!!

Try this out: Use a water mug with a smaller capacity; this encourages you to walk to the pantry more often for a refill. What's more, you will be more inclined to drink more water too!

5. Count your steps

If you prefer to get active at your pace, getting an activity tracker might be your perfect companion. Most activity tracker has nifty functions which allow you to set achievable goals. Some even have challenges you can try!

Try this out: Download an activity tracker app on your phone that helps you count your steps. Health Promotion Board has a "Healthy 365" app that has many useful functions, such as a pedometer, calorie counter and weight manager all rolled into one!

SPLASHING FUN AT SEA SPORTS CENTRE OPEN HOUSE

NSRCC Sea Sports Centre held its open house on Saturday, 12th August 2017.

Two Bahia sailing dinghies with skippers together with the ever so popular banana boat provided free rides to members of NSRCC and 'friends' of Constant Wind. Coaches are present to provide free beginner lessons for stand up paddling, windsurfing and kayaks. The morning session started at 10.00am but was interrupted by bad weather at around 11.30am. Afternoon session started at 2pm and ended at about 5pm.

Feedback of the Open House was good as many participant went home feeling happy with time very well spent. Some members of NSRCC hope to see more banana boat rides and sailing sessions for NSRCC members.

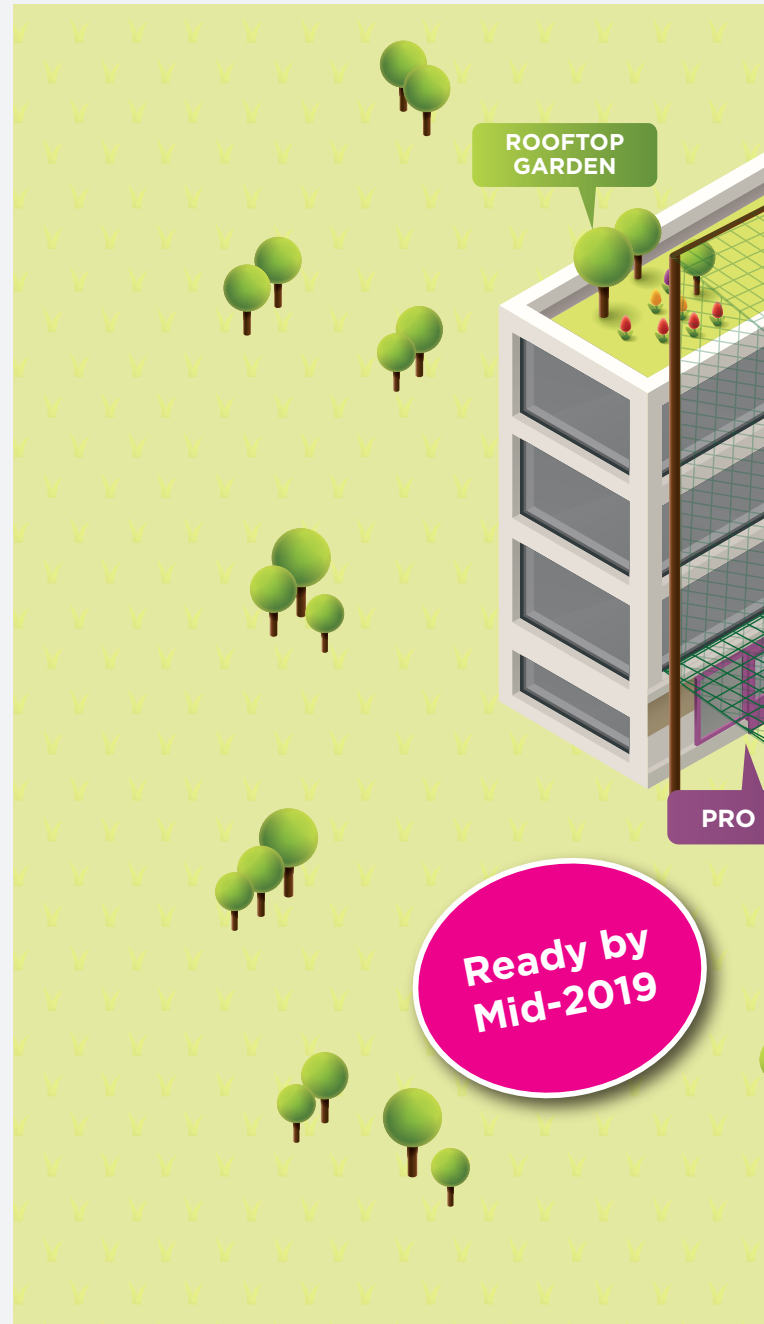

The centre also held the South West Monsoon Series 3 regatta conducted by the Singapore Sailing Federation for various classes of windsurfing.

See you again next year!

(with panoramic sea view)

N SRCC will soon be introducing a spectacular sight at Changi, when it unveils its new driving range in the second quarter of 2019. This one-of-a-kind driving range is the first in Southeast Asia, and is constructed over the current Maintenance Depot. The project is expected to commence in the first quarter of 2018, and will take about 18 months to reach completion. Once completed, the existing temporary driving range will cease operation and the land it sits on will be returned to the State.

Driving Range @ NSRCC

During the construction period, minor disruptions to the carpark will be expected. The existing shuttle bus stop will also be relocated nearer to the Tennis Court, and members or guests are still able to continue utilising these services without hassle.

The new 5-storey Driving Range will consist of three levels of tee-off bays located at levels 2, 3 & 4, making it a total of approximately 40 bays. Elevated five stories above ground with a range distance of 200m long, golfers can practice their swing amidst

the splendid view of our lush green courses. The new driving range is also complemented with facilities such as a Pro Shop, Club Fitting and Golf Academy.

With panoramic views of the sea gently lapping Changi Beach, our new driving range is set to add a tantalising element to your experience as you practise to perfect your swing.

Club Fitting Studio at NSRCC Changi

Great news for all golfers! NSRCC Changi now exclusively offers club fitting services provided by our newest business partner, Golftitude Fitting Studio located at the Driving Range. Golftitude was founded and is operated by a USA Certified Club Professional Mr Spencer Ho, who has over 20 years of experience in the golfing industry. As an appointed Callaway club fitter in Singapore, Golftitude also provides free demonstrations, where golfers can get their hands on latest Callaway clubs!
