About NSRCC Memberships

Q: Who can apply for the membership?

A1: Ordinary Membership Full (OM) - Any person who are serving or have completed full-time National Service and who has NS liability at the time of application may apply for membership up to a maximum of 30 years. Associate Membership Full (AM) – the category is opened to person who has completed his NS liability at time of application/ renewal and it will subject to aggregate membership tenure cap of 30 years, same as OM category.

A2: Ordinary Membership (Basic) - OMB - Any person who are serving or have completed full-time National Service and who has NS liability at the time of application may apply.
Associate Membership (Basic) - AMB - Any person who has completed his NS liability at the time of application may apply.

The differences between Full and Basic category is that the latter will have restricted golfing privilege during weekends/ PHs and Basic Membership is NOT subjected to the membership cap of 30 years.

Q: Why is there a difference in prices between active NS men and those who have completed their NS liability i.e. Ordinary and Associate?

A: The mission of the Club since its inception is to provide recreational, sporting, competition and social facilities for persons who have completed full-time National Service (NS) and who are rendering reserve service under the Enlistment Act, Cap. 93, i.e. Operationally-Ready Nsmen.

However, more and more ex-Nsmen, i.e. those who have completed their NS liability has been expressing interest to become members of NSRCC. Hence, with this group of people in mind, the Club reviewed its guidelines and introduced the Associate Membership in 2002.

The Club needs to ensure that there would always be membership priority for new generations of Nsmen in spite of our limited capacity especially in terms of golfing. Each year, there are between 15,000 and 18,000 Singaporean males beginning their NS obligation. The price differentiation, together with a limit on the membership term, allows us to regulate membership inflows so as to make sure that newer generations of Nsmen will have a sure chance of getting a membership.

Nevertheless, Associate Members and Ordinary Members would still enjoy the same membership privileges.

Q: What is the difference between Ordinary / Associate and Basic Membership?

A: Basic Members will be able to enjoy full access to the resort's social facilities, including the Driving Range, at all times. However, they will be able to make bookings at NSRCC Changi and Kranji Golf Course's 18 holes on weekdays (excl. public holidays) only. Basic Members' golfing privileges during weekends and public holidays would be equivalent to guests, such as paying green fees at *SAFRA Members' rate, signed in by Ordinary / Associate Full Members, and they can only play during sessions which guests are allowed. By the same token, Basic Members will not be able to participate in golf tournaments / events held on weekends / public holidays, but will be able to do so if the tournaments are open to the public (non-member's rate applies).

Ordinary / Associate Full Members will enjoy full access to the resort's golfing and social facilities at all times.

Please refer to the Club's Bye-laws for terms and conditions of Ordinary / Associate and Basic Membership. You may download it from the Club website at <http://www.nsrcc.com.sg/about-the-club/constitution-by-laws>.

*Visitor's rate will apply to Family Members.

Q: What are the monthly subscriptions payable?

A: Monthly subscription fees (excl. GST) for:
Ordinary category : \$43.60 (Principal Member) and \$10.90 (Family Membership).
Associate category : \$49.05 (Principal Member) and \$16.35 (family Membership).

Q: Is membership transferable?

A: Generally, transfer of membership is not allowed as Ordinary Membership / Ordinary Membership (Basic) and Associate Membership / Associate Membership (Basic) are term membership. However, exception is given to members to transfer the balance of his membership term to his son who is a Full-Time National Serviceman or an existing Operationally Ready NSman (has NS liability). The transfer fee is 10% of the prevailing entrance fee for the remaining membership term.

Q: Can I renew / extend my membership when it expires?

A: Yes, Ordinary Full Members may renew / extend their membership term up to *maximum term of 30 years provided they are still NS liable. Ordinary Full Members who have completed their NS liability may extend their membership under the Associate Full Membership category. The *total membership term, including previous Ordinary Full Membership term, cannot exceed 30 years. Associate Members may extend their Associate Full Membership up to *maximum term of 30 years, including any previous Ordinary Full Membership term.

Q: When can I start using the Club's facilities?

A: You may start using the Club's facilities upon receipt of your membership card.

Q: What is Security Deposit? Is it refundable?

A: The Security Deposit is a compulsory deposit for your in-house credit (internal billing) account. It has a charge limit of \$1,000. The Security Deposit will be refunded (less any outstanding under the member's account) when the membership term expires or is withdrawn or terminated under Article 8 of the Constitution.
