

FREQUENTLY ASKED QUESTIONS (FAQ): Reversion to Online Booking for Golf Slots (Effective 1 January 2026)

1. Why is the Club reverting to online booking?

The return to online booking follows a review by Club Management and the Greens Committee. During the pandemic, balloting was essential in managing the exceptionally high golfing demand when travel and recreational options were limited. As travel has resumed and play patterns have stabilised across the Club, it is time to resume internet booking. It provides members with greater convenience and flexibility in booking their golf slots.

2. When will online booking begin?

Online booking will commence on 1 January 2026 at 6.00 p.m.

3. When will the last ballot be conducted?

The final ballot submission period will run from 22 December 2025 to 25 December 2025, covering play dates from 3 January 2026 to 9 January 2026. After this window, all golf slot reservations will be made exclusively through the online booking platform.

4. Will both NSRCC Changi and Kranji use the same booking system?

Yes. With NSRCC Kranji having already transitioned back to online booking, the reversion of NSRCC Changi on 1 January 2026 means both golfing locations will operate under a single, unified online booking platform.

5. How far in advance can members book a golf slot?

Members may book tee times nine (9) days in advance.
