

Valiant Auto Grooming is the result of various professionals joining forces in the name of their passion for cars. By honing our knowledge and expertise in the Car Spa and Car Detailing industry, we have perfectly tailored our detailed services into simple packages that offer high value for money and convenience.

We specialise in complete auto grooming products and services such as car polishing and paint correction, waxing, ceramic coating services, as well as interior refurbishing and cleaning of leather and carpets.

In partnership with NSRCC, members enjoy 15% off on all services and packages.
